- First Floor Handicraft Hangout (ages 11+) Bring your own handicrafts, and come to chat and craft.

***To read the schedule, find your child's age on the top row and drop your finger down the age column. We have several periods with overlapping ages or classes, so some of you may find there are 3 classes for you to choose from in any one period. If you have any questions, please don't hesitate to ask a question.

We are so excited for a great year of learning together with old and new friends!
